

REMARKS

In the Advisory Action mailed March 24, 2008, the Examiner indicated that the response and supplemental declaration filed on February 27, 2008 “raise new issues that would require more than a cursory review,” and therefore, did not consider the response and supplemental declaration filed on February 27, 2008. *See* Advisory Action at page 2.

By this response, Applicant submits a request for continued examination (RCE) requesting the Examiner to consider the response and supplemental declaration filed on February 27, 2008. The supplemental declaration establishes constructive reduction to practice from just before the date of U.S. Application Publication No. 2002/0188875 (Hwang) to the date of filing of the instant application.

Applicant respectfully submits that in view of the response and the supplemental declaration filed on February 27, 2008, all of the pending claims 1-27 are in condition for allowance and such action is respectfully requested. The Examiner is invited to call the undersigned at (312) 913-0001 with any questions or comments.

Respectfully submitted,

**MCDONNELL BOEHNEN
